Fyneen Series

200X1200MM | 300X1200MM

Highly durable, ideal for heavy traffic and commercial areas indoors and outdoors.

Easy and speedy installation. Better than natural stone cutting and finishing on site.

Embossed capsule lines provide extra grip for enhanced safety near the step edge and unique full bull nose edges.

It provides higher strength and durability and offers assurance to replace natural stones in a confident way with the highest abrasion resistance.

Ensures ten times superior surface protection against wear and tear over natural stones.
